Ibanez RG421HPAM

Pure combusting metal. Be a warrior of the stage. The Ibanez Ibanez RG421HPAM is impressive in both style and playability. Look authentic with the mesmerising Nyatoh body smothered in an antique brown stain finish. The Ash top Nyatoh gives a tone that allows you to use expression with a toasty warm edge. Be visually and phonically original.

Gibson Explorer

Born in 1958, the Explorer was first released alongside the Flying V, and it represented a new era of guitar design and innovation. The shape allows it to be well balanced and comfortable, with each contour naturally fitting around the person playing it. That's why it's become a favourite amongst professional artists and musicians across the world.
